Showcase description

I have 3 years experience how Graphic Designer in a Consultancy and Software agency where every day I have the opportunity to deepen my knowledge especially in Brand Design, Web Design and Advertising. I am responsible then for the management and implementation of projects concerning the Corporate Identity and Corporate Communication and for the creation of websites for all our customers. I have a excellent knowledge of all Adobe Creative Suite's programs, especially Photoshop, Indesign, illustrator, after effect, Premiere and Dreamweaver. I attended numerous training courses about these programs and I ranked third in competition proposed by San Benedetto S.p.A. "Lattina Sleek - limited edition Contest" where was requested to create an original and young graphic for all tè type of the San Benedetto. Don't hesitate to contact me if you have other questions or if you want i sent you my complete Curriculum or my Portfolio.
