## Showcase description

I'm Matteo Iudice, an Italian 21 - 3D Artist student at Comics International School in Padua. I've been a self-taught graphic designer since 2008. I work very well with Maya, Zbrush, Photoshop, Illustrator, After Effects, Sony Vegas, Substance Painter and Xnormal. I'm a creative person full of ambitions; I am always looking for new challenges and I'm ready to help you! I'm videogames lover, I'm a fan of films, tv series, food and beverages. I'm expert in "retouching", logos, ads, banners, static 3d models and video editing.
