

Flavia Frascòn

Junior Designer

Location: Italy > Sicilia > Trapani

Years of Experience: 5

Employment Search: Si

Internships Available: Si

Showcase description

Hello, I'm Flavia and I'm a neo-graduate in Graphic Design at the Academy of Palermo. I gave the name and created the graphics for an Italian car race (windrive) and I have some small work experience! I love to put myself in everything I do, from coordinated imagery to impagination, from the structure of websites to simple 3D creations! I'm one who's gonna do it!
