Showcase description

Video / graphic director, shooter, director of photography, post production video, intermediate graphic. At the age of 14 I do this activity with deep love and free lance study. I participated in various workshops of international directors and collaborated with artists and professors of vast caliber, daring and growing more and more. I have made several video productions with a distinct creative imagination. I am also inclined to work as a movie electrician or otherwise. I invite you to view the link Pietro D'Inverno
