

Antonio Penco

Graphic designer

Location: Italy > Umbria > Terni

Years of Experience: 5

Employment Search: Si

Internships Available: Si

Showcase description

I'm Antonio, I come from Terni and I was born in 1991. I attended the Communication & Design course at IID (Italian Design Institute) in Perugia and then won the "Socially Correct" annual competition. Thanks to this competition I had the opportunity to do an internship at the renowned Saatchi & Saatchi agency in Rome. I am still here and I hope to continue in this area because I really enjoy it
