Employment Search: Si
Internships Available: Si

Showcase description

Drawing is my passion since I was a child. I've attended different art schools, and this helped me growing both as an artist and as a person. Now I have the exciting opportunity to work in those fields I always been interested in, such as comics, illustration and videogames! I like to keep a productive relationship with the people I work with, but at the same time I like to have fun in the work.
