Years of Experience: 5

Employment Search: Si

Internships Available: Si

Showcase description

My name is Lavinia, I deal with illustration and I would like to have the opportunity to apply it to more than one sector; at the moment I would be very interested in illustrations for fashion magazines or things of this kind. Honestly I could not yet define my sector, so I would say that I am fully experimenting, every proposal is welcome Email: Lav_@live.it Instagram: https://www.instagram.com/lil_blaw/
