Showcase description

My name is Valentina Parodi and I'm Graphic Designer & Illustrator. My idea is to make illustrations to create emotions by making them into products and ideas. Work with creative minds help me to improve day after day professionally enriching me. I would want to realize my drawings for packaging , stationery and objects. My social: instagram: https://www.instagram.com/titta_designer/ facebook: https://www.facebook.com/TITTA-1495662427368575/
