### Showcase description

I am a Graphic Designer with over 5 years experience based in Milan, always ready to learn and compare myself with other creatives minds. I want to know how the world works and how I can make my creative contribution to make it more beautiful, so that this can be reflected on me and the people who are close to me. Punctual, curious, careful to the extra pixel. I love my job and I'll do it with a smile and a pair of headphones on my head. \_\_\_\_\_ WHAT I DO: ? Digital design ? Social media campaign graphics ? Email/Communication design ? Brand/corporate identity projects ? Print media and collateral projects ? Infographics
