Years of Experience: >20
Employment Search: Si
Internships Available: No

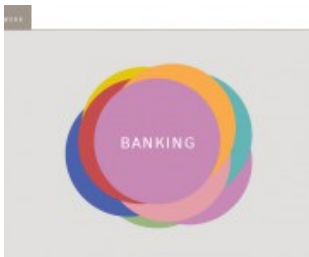

Showcase description

My name is Luca Franco and I work as a senior art director at the Italiabrandgroup agency in Milan. For several years I have been dealing with communication: graphic design, packaging, coordinated image and communication, above and below the line. I'm looking for new professional opportunities like freelance or continuous. I am available for an informative meeting through which to deepen my skills and my aspirations. Best regards Luca Franco Creative Consultant Milan 20135 Italy Via Pier Lombardo, 25 Telephone +39 3339027744 Email lucafranco64@libero.it <https://www.linkedin.com/in/luca-franco-63478860/>
