Showcase description

"Art is continuous research, assimilation of past experiences, adding new experiences, in form, in content, in matter, in means". (Bruno Munari) My creative construction site is nothing but a container of ever-changing experiences. My name is Simona Savettiere and for over 10 years I deal with interior design, furniture and graphics. 2D and 3D drawing programs, I realize charts and personalized presentations with the use of Illustrator, Photoshop and Premiere. I love design and art. I am an enterprising person ready for new adventures. mail: cantierecreativo.s@gmail.com cell.: +39 3387610009
