Showcase description

Cristina Moffa, born in 1991, has an academic background in graphic design, graphics and photography. He has a solar personality, unable to live without stimuli, curious, precise and reliable. It is creative and knows how to cope with the planned deadlines. Alone, or in a team loves to work in a peaceful, committed and cooperative environment. He loves photography madly and wants to grow above all in the field linked to fashion. He has experience in various fields both related to the world of photography and those related to the field of graphic design. It adapts easily to every condition that is imposed on it. Attached to the cover letter, you will find his curriculum vitae.
