### Showcase description

Daniele De Crescenzo, born 1982, is a Salerno(Italy)-based, Freelance illustrator and sequential artist that has worked in many creative environments. Distinguished by a strong sense of humor, and by a cure for details, his works have enriched books, magazines, television programs. Passionate as a child of animation, cinema, photography, comic, has dealt with a wide range of creative projects with the spirit of those embarking on a new adventure, always returning to his first love: Illustration.
