Showcase description

Hello, my name is Daniela Pina. I live in Piedmont, precisely in acqui Terme. I did editorial graphics for a few years, then the way led me to teaching. But it was not the right path, so I decided to go back to the old creative road. Today I make felt necklaces. I worked with paper previously, but today I prefer felt. Design new types of necklaces with special felts. I would like to introduce myself but above all to make my creations known. Daniela
