Employment Search: Si
Internships Available: Si

Showcase description

Federico Gagliardi is a cheerful, communicative, curious, determined, dynamic and extrovert person. On 10/24/2018 I completed my master's degree in brand management and communication at the IED in Milan. In my CV I have included all the certifications I have obtained both during the three years and the master. I would be interested in a strategic / creative figure.

Curriculum
