Internships Available: No

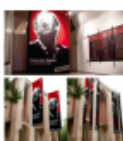

Showcase description

Paolo Malorgio Studio was set up by the art director Paolo Malorgio, after more than 15 years of experience working for national and international brands. A highly professional team, always in touch with external units. A network of professionals selected ad hoc to ensure only the best results. Paolo Malorgio Studio has its own client portfolio and cooperates as a consultant with advertising agencies and design studios, to share and exchange best practices. From advertising to graphic design, from corporate identity to packaging, Paolo Malorgio Studio develops targeted projects, starting from a solid strategic methodology, which then becomes effective creativity contact: paolo.malorgio@gmail.com +55 41 996.591.567
