Showcase description

am Raffaele, born in Naples on 11/3/1987 always passionate about design and technology merging the two things I developed a passion for the graphic design from which I started moving as a self-taught person. Taking confidence with the programs h o i n i z i a t o a c i m e n t a r m i i n v a r i s t i c h e s i c o u c a p a v o n d i graphics like Starbyes where graphics from all over Italy yes challenge to the sound of the contest and that's where I acquired the most of my skills and started achieve goals. I am also familiar with the interfaces of Wordpress and Prestashop CMS my goal is to have the possibility of start an internship in order to complete and acquire more skills both as a creative graphic designer that from web graphic. You can search for my Sraph graphic alias on google or facebook
