### Showcase description

I?m Sergio Facchini, a young expert in Marketing and Communication and I have been working in this field for 6 years. In my past experiences, I have developed various skills in the marketing and communication sector: from the creation of the strategic plan, to the management of social channels, to public relations with stakeholders and finally to the management of the press office and media relations. Analyzing my professional backgroud I am a person who has developed the ability to adapt to any work situation having worked for companies from various sectors (even if especially in the sports sector) and in the start-up phase; moreover I have always worked with determination and passion, fundamental skills, to achieve the set goals; I love to put myself in play continuously to improve and expand my professional skills and at the same time help people in their relative personal growth.
