## Showcase description

Hi my name is Marco De Vincenzi and I am a person who loves art in all its aspects from pencil drawing to painting to digital sketch to graphics. I am a freelance graphic designer who tries in every way to make a change in my life through my talent, in my spare time I paint or work clay or drawing but I also love video games. I am looking for a job in the great field of art that can make me create my atelier and graphic studio.
