### Showcase description

I'm currently working for companies operating in Liguria, Lazio, Lombardia and Friuli. My main activity is graphic design for flyers, brochures, catalogs and posters, as well as making the layout of illustrated and non-illustrated books. As a secondary occupation I design for 2D printing in lasercut for boardgames, and I create games (design and editing). Contact: [luca.canese@gmail.com](mailto:luca.canese@gmail.com)
