I'm Elizabeth Castillo, I'm a Mexican girl graduated in Psychology, Psychoanalysis and Art & Literature Psychology. I live in Milan since 4 years and in that time, I know new created related areas of my career. I have known Marketing & Social Media and I'm fall in love for the way that people work in this area and the way that its managed. For this reason, I have taken a little course in Adecco in Social media Marketing and my love for the area grows up. I'm speak for languages ( Spanish, English, Italian and German). I would grow up in this area, because I think that I have the capacity to make amazing things if someone give me the opportunity to show how can I do. I'm so obsessive with the work, orderly, empathic and very punctual. I'm open to learn new things who makes me grows up like a professional. Psic. Elizabeth Castillo
