### Showcase description

Painter, scenographer and costume designer performs figurines for stage costumes, formal or fashion clothes, as drawings of another kind for all those who need it in the workplace (costume designers, fashion companies or period costumes etc ... ). I also supply paintings for films, theaters, associations, and I do stage paintings. For further information regarding my training, my modus operandi, examples of sketches already made, my CV etc ..., contact me in private and I will answer all your requests.
