Showcase description

I'm Alice Ghietti, I have a bachelor degree in Design and Visual Communication, a master's degree in Systemic Design and a specialization with the Master in Digital Marketing. I currently work in a Design studio in Turin, I deal with managing Ads campaigns, Content Marketing, Email marketing and Social media strategy. I am creative, I face new challenges with determination and always to the best of my ability. I would like to make my career out of my passion for communication. alice.ghietti@gmail.com
