I am Ilaria Bernardi, recently graduated in International Management (master in Linguistic Sciences) at the Catholic University of the Sacred Heart in Milan. I presented my thesis entitled "Social influence and parasocial relationships at the time of Covid-19: a glance on Instagram influencers", obtaining an evaluation of 110 and praise. Since i am passionate about marketing and communication, I?m interested in a career in this area. After years of theoretical study, I am looking for an internship that can help me to acquire specific skills. I?m a sociable, dynamic, willing and eager learner
