Showcase description

I am a freelance illustrator based in Padua, Italy. I graduated at the "Art Center College of Design" of Pasadena, CA, USA in December 2001. I came back to Italy in August 2002 and I started to work in my family business until March 2017. After that I dedicated all my time to work as Fantasy and Animal illustrator. I wish to expand my acquaintances with other illustrators and with my work contacts.
