Showcase description

My name is Artemio Ceresa and I am an Italian painter. My works are inspired by contemporary art starting with surrealism. I have entitled my latest series 'Scorci di infinito' (glimpses of infinity), lightening myself of the title and leaving only a numerical progression and some indications as a reference of the work. This is to allow the viewer to freely navigate through my paintings. My intention is to bring my work to the general public while trying to remain free in my expression.
