Years of Experience: 5-10
Employment Search: Si
Internships Available: Si

Showcase description

I graduated in 2015 as an actress and singer at SDM "Scuola del Musical" in Milan. Since then, I have had the pleasure of working in various theatrical and musical productions, including "Sunset Boulevard" directed by F. Bellone, "Cinque Allegri Ragazzi Morti" directed by E. Pippo, "I Promessi Sposi" and "La Locandiera" directed by R. Aielli, and "L'ultima apra la porta" directed by C. Albè. In addition to my work on stage, I have also been involved in cinema productions and advertising, as well as performing as a singer in the music industry. Since 2018, I have embarked on a career as a voice-over artist, becoming the voice of brands such as Crédit Agricole and Unipolsai. From 2020, I have continued collaborating with several national and international brands, including RAI, Mediaset, Audible, Parmigiano Reggiano, Conforama, Coop, SKY Spot Italia, Bird, Rossignol, and Somatoline. Every day, I lend my voice to commercials, e-learning courses, radio, and much more. Drawing from my extensive experience in the arts and audiovisual sectors, I am now looking to expand my career by becoming a post-production manager, a role that aligns with my passion for organization, team coordination, and delivering exceptional creative projects. Alongside my artistic endeavors, I am deeply passionate about fitness and holistic disciplines, which inspire me to bring balance and focus to both my personal and professional life.
