Showcase description

Dear Company, It is a pleasure for me to submit to your attention my candidature for possible inclusion in your organisation in the Graphics, Communication and Marketing area. I am a young graduate from the Meroni technical institute in Lissone, living in Brianza in a central area and with a car. Enthusiastic and passionate about graphics and the tools I learnt during my studies and internships in companies, I would like to fulfil myself in a structure that offers me new challenges and goals both personally and professionally. Therefore, ready to measure myself in a new experience, I hope to be able to get in touch with you to deepen our mutual acquaintance should you deem it appropriate. In the meantime, I thank you for your attention and send my best regards.
