Showcase description

Nato a Lisbona, mi sono formato in Design Grafico all'A.R.C.O. di Lisbona e ho intrapreso i primi 9 anni della mia vita professionale come allestitore di stand, venuto in Italia ho cominciato da subito a lavorare in comunicazione e design grafico, passione che alimenta ancora la mia curiosità. Questa curiosità mi ha spinto a sperimentare tantissimi strumenti diversi nella manifestazione della mia creatività. E la strada è ancora lunga.
