Showcase description

In the 90s I focused on different forms of street art, with particular attention to lettering design and its paramount role in graffiti. I attended Urbino?s Academy of Fine Arts from 1995 to 2000. I have worked as a visual designer at Corus Agency in Ancona for ten years (2003-2013). I'm currently working as a freelance web and visual designer and I am carrying on my artistic research.
