## Showcase description

Hi, i'm 15 year old professional photographer and i constantly seek new mode to make images. My specialisation is for advertising and on 3D visrtual images. I have QIP qualification, i have worked on TV on direction but is not my field. Then i work how photographer, i use some modelling CAD and i like Nikon and Sinar camera. For contact me send email to [info@artifoto.it](mailto:info@artifoto.it) Thank's.
