Showcase description

I'm a comic book drawer and illustrator, and I have already contributed to the realization of the volumes "Diari in attesa" for reporting system and "Ciao mamma vado in Cina" from Intercultura. My aspiration is to work in the business of comics, or illustration for book and magazines, but also to the realization of role play games videogames ecc... My type of drawing style is realistic, but may vary depending on demand, in a more stylized or humoristic way.
